My experience is in Elder Law
I help families navigate the peaks and valleys of aging

I'm Tom Minetree, Attorney, CFP™ and I practice in the areas of elder law, estate and financial planning, and wealth preservation. I'm a VA-accredited attorney and a Certified Financial Planner.™

As a founding member of the Life Care Planning Law Firms Association (www.lcpf.org), I have developed a team which includes social workers, paralegals, a former insurance agent and benefits specialists who understand the issues facing older adults. We work with families to provide the best care for loved ones while protecting the assets they have worked so hard to accumulate.

As you and your family members age, your legal and financial needs change. We help families in these areas every day. Please let me know if we can help you!
